Nate Mueller
Front End Web Developer

I am currently **employed as a Front End Web Developer since August 2023 with over 2 years of coding experience**. I specialize in crafting modern web applications using **React**, **TypeScript**, **NextJS**, **JavaScript**, **HTML**, and **CSS**. Additionally, I possess over **12 years of business user experience as a founder**, where I utilized **SaaS applications** to successfully build a company that delivered thousands of home music lessons.
